Field trips, Library visits,
Swimming, Movies &
More every week!!!

Every week, Adventures Unlimited spotlights a different theme. Our daily field trips are designed to complement the theme for the week. Plus, over the summer, our campers go swimming, attend the movies and visit the library every week. Below is just a sample of our themes and the campers' activities!

Fun in the Sun

During this wet and wild week, campers will explore the great outdoors! We will spend most of our time in the sun building sand castles, playing in the park and going swimming!

Water Creatures

This week our campers will discover what's lurking under the waters from insects to bugs. We will learn which underwater creatures are dangerous and which are not. We will go on a scavenger hunt, dive into fishing, make buggy treats, and much, much more!

Wild About Animals

Lions, tigers, and bears, oh my... We will begin this week by learning how to identify animals by their tracks. Campers will get hands-on experience with a variety of animals. We will also adopt a mascot pet during this time

Off To Work

Our campers are connecting with the community. Campers will meet and learn about different jobs and community workers. Our campers will also enjoy tours of the CAT station, McDonalds and Rita's Ice Cream parlor.

Craft Creations

Painting, drawing, building, and sculpting are all part of this fun filled week. Campers will be introduced to basic construction tools and activities that will help them develop artistic skills and talents that can last for a lifetime.

Watch Them Sprout

When I DO, I LEARN! Our Campers are getting out and doing some sprouting of their own. During this week we will be learning how to get our plants to sprout and designing a school age garden. Trips include a visit to the Farmer's Market, Clemmons Forest, and the NC Botanical Garden.

Sports Madness

This week campers have the opportunity to improve their skills or just learn the fundamentals of sports through instruction and free play. Campers will work on catching, throwing, running, and sportsmanship.

Up In Space

Investigate the solar system with us as we travel to the Morehead Planetarium. This week campers will enjoy the many wonders of our universe.

I'm A Star (Theatre Arts)

Lights, Camera, Action! This week we are putting our imaginations into action. Our campers will experience many fun and challenging activities as they learn to discover the world of theater. Campers will be given the opportunity to perform their own works of art.

Campers should dress comfortably for a wide variety of physical activities. T-shirts, shorts, socks, and sneakers are EXCELLENT! For your child's safety, please no sandals or flip flops
